MAKING SUSTAINABLE CHOICES EASIER
FROM CORPORATE WEAR TO WORKWEAR FOR MEN & WOMEN

Being sustainable doesn’t mean you have to sacrifice on style. Well-known brands including Clubclass, Mascot and Regatta, provide our clients with an array of stylish options from smart to casual. All these garments use innovative technology and are manufactured using recycled polyester made from used plastic bottles.

Contact us for further details.

BE SEEN & BE GREEN

Green credentials for everyone. We are proud to be able to offer our customers the very latest in sustainable Hi-Vis Wear from Leo Workwear - not only are these garments made from 100% recycled polyester, but they fully conform to ISO 20471.
